FINANCIAL AGREEMENT

Today in our world of rising prices we are trying to keep our office fees to a minimum by implementing clear and exact payment arrangements. This will help to reduce our overhead, thus passing the savings along to our patients.

Our office offers the following payment arrangements:

1. We can offer you a 5% bookkeeping savings with cash or check. 3% for credit card payments, on treatment plans over \$300 paid in full on the day of service.
2. We accept Visa, MasterCard, and Discover.
3. We also work with Care Credit and Capital One healthcare financing to help make your dental care financially comfortable for you. There are several options we can look into for you.
4. While the filing of insurance is a courtesy that we extend to our patients, we must emphasize that as a dental care provider, our relationship is with the patient, not the insurance company. Our treatment plans are always based on patient need not on what an Insurance company will cover. Patients having dental insurance will be required to pay their deductible and estimated co-pay at the time services are rendered. Remember we can only estimate what your insurance will cover if anything. You will also be responsible for any balance remaining after the insurance co. has paid on the claim. If we do not receive payment from your insurance company in sixty days, payment is your responsibility. A monthly service charge of 1.5% will be added to any account balance over 60 days old.
5. I understand that if payment is not made when the account is due, the account may be turned over to a collection agency. I will be responsible for any and all costs associated with the collection procedure.

Help us to keep our commitment of no patients waiting. We are making every effort to stay on schedule so please be prompt for your appointments. We reserve the right to reschedule late patients, and extend the right to you.

Because you are important to us your appointment time is reserved just for you. We reserve the right to charge \$25.00 for every ½ hour of Doctor or Hygienist time cancelled without giving us 24- hour notice. We understand things can arise that we have no control over but ask that you remember we are reserving that time specifically for you.
